

## You want to request a quote for the stretching and framing of your canvas or embroidery?

Download the request form from Art & More, fill out all necessary information and email it to [info@art-more.de](mailto:info@art-more.de) for a quote. For a better overview please add a photo of your canvas / embroidery.

## If you would like to stretch and / or frame your canvas after our quotation just follow these few easy steps:

1. Carefully roll the canvas or embroidery with the motif inwards. Please ensure that the paint is completely dry.

2. Pack the canvas or embroidery, paying particular attention to ends. We recommend shipping in a stable shipping tube. **Please enclose a copy of the filled out request form!**

3. Please send us an email stating the parcel service and tracking number.

**The production of your frame will only take place after precise consultation, i.e. agreed materials and costs.**
